

Kidspacelogo Burbage

Newsletter 3

July 2021

Hello!

I can't believe we are almost halfway through the summer break already!

The last term saw us say goodbye to our year 6 children as they head off to Senior school. We wish them all well and will miss seeing them. It won't be long until we are welcoming many new faces and we hope they will enjoy being part of our Kidspacelogo family.

We currently have some availability in both clubs, depending on which days you require. If you would like your child to attend either our Breakfast or After School Clubs please contact me. Availability is more limited at the Infant School as this club is proving to be very popular!

Please note, our Junior Club will be opening from 7.30am from the start of the new academic year.

All of our staff are looking forward to welcoming everyone back and are always available for you to speak to.

Kerry

It was an action-packed final half term, from role play fun in Emergency Services week to

messy fun during Under the Sea week!

The children have really enjoyed the variety of activities and we loved seeing their finished pieces.

The end of the school year was quieter than usual with year 1 classes having to isolate but we still had fun—that's what we are all about!

We wish our year 2 children all the best as they make their move to Junior school and look forward to welcoming everyone back, raring to get going!

Stacie & Jacqui

We had lots of fun at Burbage Juniors in the run up to the summer break.

We took advantage of the good weather and enjoyed the outdoor space. We were very lucky to have a visit from a Police Officer during Emergency Services week. The children really enjoyed asking him all sorts of questions. Everyone loved the craft activities, especially decorating cakes—yum! We are looking forward

to meeting all our new starters and welcoming back some familiar faces. There are certainly lots of exciting things planned!

Carol & Mandie
