

Kidspacelogo St. Mary's

Newsletter 1

August 2021

Hello!

Welcome to the first of our new regular newsletters, where we hope to update you on what the children in our club have been doing. We will also be using the newsletters to inform you about the forthcoming term's planning and snack menus.

Hopefully this will give you an insight into the Kidspacelogo clubs, our ethos and our continued commitment to your children.

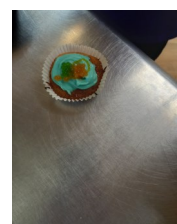

It won't be long until we welcome the children back to club, with a mixture of old and new faces. If you have any questions or concerns please speak to any of the club staff—they will all be happy to help you.

Kerry

We were very busy having fun in club this last term! We made the most of the weather and enjoyed playing outside with our pe box as well as enjoying team games.

We have made some fab slime cakes and pizzas that were both yummy.

We followed the football with the Euros and made England biscuits the night England played.

In Science we made our own volcanoes and loved watching the Skittles turn to rainbows.

As well as all of these activities we have had loads of fun playing with our friends!

Good luck to all our Year 6 children in their next adventure at High School -you will be missed.

We look forward to seeing everyone, old and new, next term.

Kellie, Jacob, Sue, Eve & Paige x
