

Kidspacel Conkers

Newsletter 1

August 2021

Hello!

Welcome to the first of our new regular newsletters, where we hope to update you on what the children in our club have been doing. We will also be using the newsletters to inform you about the forthcoming term's planning.

Hopefully this will give you an insight into the Kidspacel clubs, our ethos and our continued commitment to your children.

It won't be long until we welcome the children back to club, with a mixture of old and new faces. If you have any questions or concerns please speak to any of the club staff—they will all be happy to help you.

Kerry

As you can see from the photos we spent a great deal of time enjoying the outside space last term.

We made campfires and had a go at making natural perfumes using different ingredients that we found outside. We used our chawks to get creative and

artistic with colourful drawings on the playground. We also kept active with a bit of limbo — how low did we go!

The end of term saw us saying goodbye to our Year 6 children as they head off to High School and new adventures. You will be missed but we wish you all well for the next stage of your school lives.

We are looking forward to welcoming everyone back, both old faces and some new ones.
